NWC's Commencement goes Virtual

Though Northwest College was unable to have a traditional, in-person commencement ceremony, this year's graduation was certainly one to remember! Our students tuned in, many

with their families, ready to celebrate in their caps and gowns. Students logged into Zoom, so they could see and interact with their fellow graduates, while NWC President Stefani Hicswa conferred the degrees during the live ceremony. Friends and family of graduates were able to tune in by watching on YouTube, Facebook and Twitter. If you have yet to view the ceremony, it's not too late! [View it here](#).

Free online course

Northwest College is offering a free online course this summer, which will begin Monday, June 8. The General Studies First Year Seminar, is three college credits and is for those interested in trying an online course or getting a jumpstart on earning a degree.

In this First Year Seminar class, you will

- * Gain Experience with online learning
- * Learn how to be a successful student
- * Meet a requirement for every degree at NWC
- * ALL completely FREE

To learn more or sign up, contact NWC Enrollment Services at 307-754-6101 or admissions@nwc.edu. To see all NWC's summer course offerings visit <https://nwc.edu/summer>.

New Programs Coming this Fall

The non-credit **Commercial Driver's License(CDL)** program teaches students the basics of driving a truck on the road and in the Center of Training and Development's new mobile simulator which is designed to help students gain experience before getting behind the wheel. Graduates can expect to

have the essential knowledge and skills to qualify for entry-level driving positions.

For more information e-mail Christi.greaham@nwc.edu

The Associate of Applied Science in Paramedicine will include online coursework and face-to-face labs and clinics to educate EMTs to become **paramedics**. The four-semester program will also provide training in wilderness medicine which is well suited for rural emergencies in our unique environment. NWC's first paramedic cohort will begin in Fall 2020.
